Education

ABES Engineering College, AKTU University Sep 2023 – Present B.Tech in Computer Science and Engineering CGPA: 7.4

Nehru International Public School
New Sainik Sr. Sec. School, CBSE

June 2022 Class XII – Science Stream Percentage: 71
March 2020 Class X Percentage: 85

Technical Skills

Languages: C, C++, JavaScript

Frontend: HTML, CSS, React.js

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, MySQL

Cloud : AWS (EC2, S3, IAM, VPC) (Learning), Docker, Terraform (Learning)

Projects

- **Resume Analyzer (MERN Stack + Firebase + Cohere AI)**
 - Developed a full-stack AI-powered resume analyzer using React, Node.js, Express, and MongoDB for automated resume evaluation.
 - Implemented secure user authentication using Firebase Authentication with backend token verification via Firebase Admin SDK.
 - Integrated Cohere AI API for semantic skill analysis and intelligent resume improvement suggestions beyond keyword matching.
 - Built a secure resume upload pipeline using middleware and stored analysis results in MongoDB to reduce repeated API calls and improve performance.
- **Student Management System (MERN Stack + JWT Authentication)**
 - Built a role-based Student Management System with separate dashboards for teachers and students using the MERN stack.
 - Implemented secure authentication and authorization using JWT for protected access to academic records.
 - Enabled teachers to manage attendance, assignments, and student data, while students securely accessed their academic information.

Certifications

- AWS Academy Graduate – Cloud Foundations Amazon Web Services — 2025

Leadership Extracurricular

ABES UBA (Unnat Bharat Abhiyan)

Aug 2025 – Present

- Conducted rural awareness campaigns on sanitation, digital literacy and government schemes.
- Organized educational workshops in collaboration with local authorities.

LDL (Light de Literacy)

Sep 2023 – Mar 2024

- Taught literacy and numeracy to underprivileged children through daily volunteer sessions.

Alumni Member – OM Foundation (NGO)

- Mentored underprivileged students in foundational subjects and technology.
- Guided learners toward career awareness and skill development.
